

CCSC SPORTS WILL BE KAYAKING

MANDALAY BAY

IN OXNARD – CHANNEL ISLANDS HARBOR

SATURDAY, MAY 15, 2021

Meet: **9:30 AM**

Leave: 10:00 AM

Cost: \$15 PER HOUR OR LESS DEPENDING UPON THE NUMBER OF PEOPLE THAT SHOW UP

Directions: 101 FWY NORTH TO VICTORIA. AT STOP LIGHT, turn left. Then go all the way to Channel Islands Boulevard and turn right. Then go over the bridge and turn left on to Harbor Blvd. The address is 3600 Harbor Blvd. We will meet in the parking lot and go to the rental together
Note: The usual place we use has changed due to high tide.

Description: If you have not tried this and like the water you will have a blast. This will be about an hour and a half experience working your upper body. Learning how to kayak will take you all of about 10 minutes until you get your balance and understand how to use the paddle. If the weather looks gloomy and it is about 65 degrees at the beach, remember that the heat from the sun radiates off the water and it can be quite warm.

Note: The Kayaking place will be cleaning the kayak, paddle and life jacket after each use. Unless two people live in the same house hold they cannot use a double kayak. You may need a mask when passing by people on land or getting your take out lunch. Social distancing rules still apply.

What to Bring: Water, suntan lotion, a towel, change of clothes, money, gloves (if you have them), a plastic bag for your money, a float attachment for your glasses, and a float for your keys if you take them with you.

Afterwards: We will go to a local restaurant for lunch take out and social distancing.
